Language: English . Brand New Book ***** Print on Demand *****.How to Program iOS Applications Using Apple Swift, even if you've never programmed before Have you ever wanted to design your own iOS application but thought it would be too difficult or maybe you just don't know where to start? Have you found the amount of information on the Internet either too daunting or not geared for your skill set or worse-- just plain boring? Are you interested in learning to program your own apps and have some fun along the way? If so, then The Joy of Swift by Alan Forbes is the book for you!! The Joy of Swift teaches the total beginner how to build next-generation iOS apps with Swift, Apple's latest programming language. If you've programmed with Xcode before or if you know some Objective C already, this is probably not the book for you-- this book is for those who are just starting out and don't know where to begin. This book's straightforward, step-by-step approach helps you quickly master Swift's core concepts, structure,...
