This bundle includes the first four books in the series and sets the scene for what is fast becoming a popular series. Jack Drummond is your typical 13 year old schoolboy except that his life seems to attract the unusual! You will find that every one of his short stories contains a well-known moral or adage and your mission is to uncover it before you reach the end. If you find any vocabulary that is new to you, my advice is to try and work out the meaning from the context and then use a dictionary to confirm your suspicions. By using this method, it should help your mind to cement the information and to hopefully recall the meaning in the future. Jack has a vivid imagination and for those of you who also have the ability to let the stories whisk you away to another world, you are the chosen ones who will probably get the most out of these books. That s enough for now, it s time to meet Jack . Matt. This Bundle Edition includes the following: - The Rise Fall of Jack Drummond Jack Drummond Wins Through Jack Drummond s Holiday Jack Drummond To The Rescue Enjoy!!!!.
