The Phonology of Armenian (Hardback)

By Assistant Professor of Linguistics Bert Vaux

Oxford University Press, United Kingdom, 1998. Hardback. Book Condition: New. New.. 241 x 164 mm. Language: English . Brand New Book ***** Print on Demand *****.Armenian is geographically one of the most widespread languages of the world, with distinct dialects located as far west as Poland and as far east as India. It has a rich literary history dating from the fourth-century translation of the Bible into Classical Armenian. It is one of the most linguistically divergent of the Indo-European languages, having undergone a host of complicated phonological, morphological, and syntactic changes that continue to resist satisfactory analysis. However, the language has yet to receive a comprehensive treatment by theoretical linguists. Bert Vaux remedies this problem, bringing Armenian into the sphere of phonological discussion by making available to Western readers the results of Armenological work published in Armenian and Russian, and by presenting theoretical analyses of many of the more striking phonological phenomena described in these sources or culled from the author's fieldwork. The topics addressed include syllabification, stress assignment, vowel harmony, feature geometry, consonant-vowel interactions, and prosodic structure. Series Information: The Phonology of the World's Languages Series Editor: Professor Jacques Durand, Universite de Toulouse-le-Mirail Series ISBN: 0-19-961355-9...

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
