Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

DAVE GORMAN VS THE REST OF THE WORLD

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Dave Gorman Vs the Rest of the World, Dave Gorman, Remember when you were a kid, and you used to go round to a friend's house to see if they were playing? Well, as adults we're not supposed to do that. Which is a shame .because Dave Gorman likes playing. He Really likes games. So he knocked on the biggest door you could ever imagine - the internet - and asked 76,000 people if they fancied a game. This is the story of what happened next. Dave was up for anything and gamely played them at whatever they chose. He played some classics - Monopoly, Scrabble, dominoes and cribbage. He played many games he'd never heard of before - Khet, Kubbb, Tikal or Smite anyone? He played board games and physical games. He's thrown sticks, balls, frisbees and darts. He's rolled dice and he's drawn cards. From Liverpool to Hampstead and from Croydon to Nottingham, Dave travelled the length and breadth of Britain meeting strangers in strange places - their homes, at work, in the back rooms of pubs - and getting some hardcore game action. From casual players to serious game geeks, from the rank amateur to the world champion, he discovered a nation of gamers more than happy to welcome him into their midst. He's travelled all around the country and met all sorts of people - and it turns out us Brits are a competitive bunch. And it seems that playing games can teach you a lot about what makes the British tick. Of course, Dave hasn't been keeping score. Much.
