Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ebook Millionaire is a complete step by step guide to building a massive revenue stream through selling your books online-either via your own blog or via Amazon Kindle and other e-readers. Many books on Kindle never sell more than one or two copies- not because they are not well written but because they are not well marketed. This book will teach authors the almost guaranteed method of success in self publishing starting from before the book is written: Market research- to guarantee you have a pool of hungry buyers desperate for your book-before you have even written a word! It also teaches you both external and internal marketing. Many authors are good writers but are not very good at marketing. Internal marketing is optimising the Kindle platform to get more sales, more reviews, get your books listed high on the sales rankings and being seen by more people. External marketing will explain in an easy to follow format how to blog, how to use Twitter, the importance of Facebook and the value of traditional marketing systems. E-book Millionaire is not another get rich quick guide. This book follows the exact system used by the author to create a regular five figure monthly income from these same methods. The steps are simple but the information world changes all the time and the simple things often get overlooked. If these are not done properly your book will be lost amongst the thousands vying for the browsers attention. This book will help you immensely if you are looking to publish your first book, if you already have published a book but it is not selling yet or if you are looking...
