Strebor Books International, LLC, United States, 2014. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. The first book in the haunting Eternal Dead series is a bone-chillingly scary tale of teenage angst and forbidden love amidst witches, vampires, and zombies. Holland Manning has discarded the nerdy-girl image for a bold and edgy look. She's finally going to fit in with the popular kids and snag her longtime crush-- with a little help from her mother's witchcraft. But as they so often do, her mother's spells go awry--only this time, she unleashes some menacing forces. Desperate to find a better life in America, seventeen- year-old Jonas embarks on a perilous journey from Haiti, a voyage fraught with superstitious hysteria and voodoo spells. But when he wakes up in smalltown Georgia, he's no longer a normal teenager, he's something unspeakably sinister--something undead! Discovering her own powers of sorcery, Holland joins forces with Jonas and soon falls for him despite his dark secret. Though woefully outnumbered, the duo undertakes a dangerous mission to vanquish the vampires that are picking off their neighbors, one by one. . . .
