A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

The man who shattered her trust is back to protect her New York Times bestselling author Diana Palmer delivers a breathtaking story of second-chance love. When Paul Fiore disappeared from Isabel Grayling's life, he told himself it was for all the right reasons. She was young and innocent, and he was her millionaire father's lowly employee. Three years on, Paul is the FBI agent assigned to Isabel's case. Too late, he realizes what life in her Texas mansion was really like back then and how much damage he did when he left. Once love-struck and sheltered, Isabel has become an assistant district attorney committed to serving the law, no matter how risky it gets. But right now, the man she can't forgive is the one thing standing between her and a deadly stalker. She knows Paul won't hesitate to protect her life with his own. But if she can't trust herself to resist him, how can she trust him not to break her heart all over again?.
