Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the foreword: As our nation and our Navy shift their focus away from the land wars in Iraq and Afghanistan that have so dominated our internal conversations for more than a decade and pivot toward the Asia-Pacific region, it is most appropriate that this study, *You Cannot Surge Trust*, should make its appearance. The assembled authors, under the assured editorial hand of Sandra Doyle, bring forward a series of episodes that demonstrate the evolving and increasingly important nature of maritime coalition operations around the world. Beginning with a look at maritime interception operations in the Arabian Gulf during Operations Desert Shield and Desert Storm, this work moves forward through the post-Cold War era to include recent operations in the Middle East and central Asia. Written from a multinational point of view, the analysis suggests that nations, even superpowers, are increasingly dependent upon each other for support during major combat operations and that only by frequent consultation, exercises, cooperation in technology development, and understanding of force structure capabilities will future maritime coalitions be successful. This study also advances...
