THE PEACH AND THE COCONUT: RE-CREATING THE COMMUNITY OF JESUS (PAPERBACK)

Kerith Media, United Kingdom, 2012. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.There are moments where we need to try to define and shape culture, what some have called being cultural architects . We can do that by painting a picture of what we would like the culture to be, and then striving with all our being to build the community we've described. In The Peach the Coconut Simon Benham paints a picture of the culture Kerith Community Church wants to build, exploring the community of Jesus and seeing what it teaches us about building a Christian church community in the 21st century. Author Simon Benham is the senior pastor of Kerith Community Church in Bracknell, England, a church of all ages with people from over 40 different nations and a vision to be a rapidly growing Christ-centred community making an impact locally, nationally and internationally. Simon is married to Catrina and they have three children, Zak, Jacob and Alice.
