

Romeo & Juliet: The Shakespeare Novels [was \$22.95]

By Paul ILLIDGE.

Creber Monde Entier, 2005. Paperback. Book Condition: New. 1st Edition. 96pp . [In stock in Australia, for immediate delivery] Text of the First Folio 1623 Shakespeare's major plays are not abridged or summarised in these editions, but are paraphrased line-by-line in modern English to create a prose narrative that also incorporates stage directions and dialogue. The flavour of the original is retained by the use of iambic pentameter and rhyme, but higher flights of symbolism and poetic allusion are omitted and Elizabethan usage is stripped away altogether. Making the plays unfold as if they were novels, the books in this series are carried along by the intensity of Shakespeare's page-turning plots and the rich development of character, mood, and setting.

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
