Productivity Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Written by doctors and healthcare professionals, this textbook should be mandatory reading for all medical school students - highly recommended for both young and veteran physicians - and an eliminating factor for any financial advisor who has not read it. The book uses jargon like "innovative", "transformational" and "disruptive"; all rightly so! It is the type of definitive financial lifestyle planning book we often seek, but seldom find. -- LeRoy Howard MA CMPTM candidate and Financial Advisor, Fayetteville, North Carolina I taught diagnostic radiology for over a decade. The physician-focused niche information, balanced perspectives and insider industry transparency in this book may help save your financial life. -- Dr. William P. Scherer MS, Barry University, Ft. Lauderdale, Florida This book was crafted in response to the frustration felt by doctors who dealt with top financial, brokerage and accounting firms. These non-fiduciary behemoths often prescribed costly wholesale solutions that were applicable to all, but customized for few; despite ever changing needs. It is a must-read to learn why brokerage sales-pitches or Internet resources, will never replace the knowledge and deep advice of a physician focused financial advisor, medical consultant or collegial Certified Medical Planner(tm) financial professional. --Parin Khotari MBA, Whitman School of Management, Syracuse University, New York In today's healthcare environment, in order for providers to survive they need to understand their current and future market trends, finances, operations, and impact of Federal and state regulations. As a healthcare consulting professional for over 30 years supporting both the private and public sector, I recommend that providers understand and utilize the wealth of knowledge that is being conveyed in these chapters. Without this guidance providers will have a hard time navigating the supporting system...
