Dimensions: 9.0in. x 6.0in. x 0.7in.On a mission of upmost international importance, the C. I. A agent Matt Stone aboard an aircraft on his way to Europe has an incredible experience, a revelation that uncovers the truth of our heritage and changes his concept of life on this planet. He arrives in London with a new understanding of who we really are and what we are, also the knowledge of his real mission on Earth. There Matt meets his soul-mate the strikingly beautiful Louisa Vinchenti the step-daughter of Don Vinchenti the President of Italy who Matt discovers later emanates from the dark side of the Universe. Vinchenti is currently the President of the European Union with control of the armed forces of the ESDP. The cities in Europe and the USA are in constant turmoil, with violent crime and ongoing rioting, mostly caused by the lack of employment due to the manufacturing base having been moved to China by the avaricious industrialists. Don Vinchenti is a member of the Wed group, the secretive acquisitive group of wealthy investors and industrialists who live their lives in the shadows. They are the real ruling class, the elite, the dark hidden power behind all Western governments. Now with the ongoing crises in the Middle-East they plan to take-over control of the oil there, by destroying all the cities in a convoluted nuclear attack. As the planet goes into melt down Matt along with a small team of eccentric specialists tries to buy time for save the lives of others. The world of quantum physics tells us there is nothing here except atoms, are we just that, a single atom of intelligence Were we designed by a...
