I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 118 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Be careful what you wish for. . . . Rory Bellin dreams of a better life. As a senior at Lawrence High, she yearns to be taken seriously for her accomplishments - she's editor-in-chief of the school paper, president of three clubs, and on track to graduate with a 4.0 GPA and admission to Yale. But all anyone, even her mother, cares about is LHS regaining its former football glory and winning a state championship. Caleb Johnson dreams of a better life. He aches to be able to lead Lawrence High to its first football championship in eighteen years and to date the most beautiful girl in school - Rory Bellin. But, as the third-string running back, he never plays, he has a face no one could love, and, whenever he tries to talk to Rory, his usually glib tongue turns to clay. But maybe Mr. Nickleby, the mysterious, new English teacher and newspaper advisor, can help. He has the key to both of their desires. He's willing to make their dreams come true. Of course, getting what you wish for has a price. But that doesn't matter, right? If you want something badly enough, you'll do anything to get it, no matter what it costs. Even if it's your soul. *Beauty and the Beast: A Modern Fairy Tale* is a contemporary take on the classic story by the author of the *Wolf Dasher* series. John R. Phythyon, Jr. weaves a dark fairy tale both familiar and fresh about understanding what's important, finding one's place in the world, and the consequences of obsession. Be careful what you wish for . . . you might just get it! This item ships...
